

Camp Philosophy

The Springfield S.C. Team Camp is an excellent way for individuals, teams, and the entire club to prepare for the fall season. After a relaxing summer the Springfield S.C. Team Camp gives players from our club an opportunity to get a jump-start on the competition as we prepare for league and tournament play.

Each day players will receive top-rate instruction from the Springfield S.C. Coaching Staff. Topics will be divided into two categories: individual skill and team tactics. This allows both individuals and teams the opportunity to be prepared for the fall season!

Message From The Camp Director

As the fall season quickly approaches now is the time to plan for how our players and teams will get prepared. The Springfield S.C. Team Camp is the perfect answer. All players in our club will have the opportunity to be trained by our outstanding staff.

The idea behind the Springfield S.C. Team Camp is for all of our teams to train together before the fall season begins. **This camp is not mandatory, however all players are strongly encouraged to attend! Those teams and players who took part in Team Camp last year were more prepared than those who didn't and it showed on the field.** I look forward to seeing you in August!!!

Director of Soccer Operations
